Staffing News, 2018

Dear Parents / Carers

Farewell

I wish to advise our school community of some changes to staffing at St John's for 2018. Sadly, Mr Fisher will not be returning to St John's in 2018. Mr Fisher has been appointed Assistant Principal at Holy Trinity Primary School, Granville. Mr Fisher has been part of the St John's community for five years. During this time St John's has made many significant gains and improvements under Mr Fisher's leadership; particularly in the area of Numeracy. I'm sure you join me in congratulating Mr Fisher and wishing him every success in his new appointment. This year we also farewell Miss Espiritu. Miss Espiritu started at St John's as a student teacher and remained for six years. Miss Espiritu has accepted a teaching position at Our Lady of Lourdes, Seven Hills. We thank Miss Espiritu for her commitment to teaching and her dedication to the children in her care. Miss Espiritu will be sadly missed. Mrs Izci started her teaching career at St John's this year. Mrs Izci has accepted a teaching position at St John XXIII next year. We wish her all the best in her new school and thank her for her contributions to St John's.

Welcome

It gives me great pleasure to announce the appointment of Mrs Jacqueline Willard as the new Assistant Principal of St John's. Mrs Willard is currently employed at St Madeleine's, Kenthurst. Mrs Willard's broad knowledge of curriculum and her expertise in leading Project Based Learning and the implementation of technology will be an asset to St John's.

Ms Amanda Jefferey will also be joining our community as a classroom teacher in 2018. Ms Jefferey is currently employed at St Michael's Baulkham Hills. Ms Jefferey is a highly skilled classroom practitioner who is passionate about education.

I am sure that you will join with me in welcoming both Mrs Willard and Ms Jefferey to St John's.

The students will have the opportunity to meet their teachers for 2018 tomorrow.

Kind Regards,

Patricia Charlton.
Principal.
